

WEILL CORNELL MEDICAL COLLEGE
CONTINUING MEDICAL EDUCATION
 DEPARTMENT OF PEDIATRICS

March 2015
Grand Rounds

8:30am-9:30am

Uris Auditorium

Date	Topic	Speaker
March 3, 2015	Planned home birth: the professional responsibility response	Frank A. Chervenak, MD
March 10, 2015	Food Reactions	Lisa B. Moreno, MD
March 17, 2015	Should Pediatricians Prescribe Exercise? Current Trends in Preventive Wellness through Activity	Jordan Metzl, MD
March 24, 2015	Sepsis in Children : Ducks, Chameleons, and Index of Suspicion	Joy Howell, MD
March 31, 2015	Policy Approaches to Health Care Access for Children and Adolescents	Mark Del Monte, JD

Target Audience: Weill Cornell physicians in Pediatrics and other interested physicians and health care providers, and students.

Course Objectives: Grand Rounds is intended to lead to improved patient care and safety based upon an assessment of gaps in physician knowledge, competence and performance. By the conclusion of this series, physicians should learn new content relevant to their practice that informs and thereby improves the clinical care they provide.
